Day & Night

DAY AND NIGHT LTD, one of the biggest producer of wafers in Bulgaria, is a dynamically evolving company with modern equipment and wide product range. Since 1998 the company manufactures and markets high quality confectionery. The product that quickly gained popularity and became a market leader in the sector is wafer 'Borovets'.

The company started as a small local firm that quickly gained nationwide success relying only on the great tasting and high-quality wafers.

The factory and production of 'Day and Night' Ltd meets the stringent standards and quality requirements of the EU. The goods are produced under the Hazard Analysis and Critical Control Point and following the good production and hygiene practices in the factory.

Maintaining high standards and achieving the perfect production technology requires the company to use only materials with very high quality and guaranteed origin.

The ordered for the factory in Gorna Oryahovitsa machinery from Germany, the Netherlands, Italy and Spain are among the most modern in the world. In 2006 was put into operation a new line for production of wafers with and without coating, which allows a competent response to the day by day increasing competition.

The factory of 'Day and Night' Ltd works around the clock seven days a week and has the capacity to produce 60 tons of wafers and 25 tons of biscuits per 24 hours. The company offers more of 75 products under the brand names 'Borovets', 'Yuppie', 'Yolli' and 'Day and Night'.

The product range is tailored to the specific requirements and taste demands of the diverse consumers. The young spirit of the experienced team of 'Day and Night' Ltd allows rapidly developing new product varieties, as well as preserving the traditional taste of the wafers for more than a decade.

At the moment 'Day and Night' Ltd has 4 brands under private label for Poland, Slovakia, Romania and Turkey.

'Day and Night' Ltd successfully exports products abroad and maintains good business relations with partners from Belgium, Cyprus, Great Britain, Greece, Hungary, Maroco, Yemen, Libya, Portugal, Romania, Spain, Slovakia, USA, Trinidad and Tobago and Turkey.
